**We have been officially designated an “Affirming Congregation”.**     Yes     No

**We have a marriage policy allowing same-sex marriages.**     Yes     No

**We think of our pastoral charge in the following way:** *(choose the one that best applies)*

- We have a new vision and are really excited; still working out how to live into that vision

We are clear about our vision and purpose and have/are developing the skills and gifts to bring it about; we are excited and optimistic about our vision.

Our congregation is changing and it is clear that we can no longer continue as we have been; we don't know how to go forward and have some anxiety. We believe that we have a future but can't quite see it.

We see that the ministry within this community is probably winding down after many positive and productive years of faithful ministry, mission and service; we want to celebrate what we have been as we intentionally and graciously end this ministry.

### **Describe the ministry in our congregation at this time.**

BUC has one full time minister for Worship, Sacraments and Pastoral Care who will retire as of the end of September 2016. Since the retirement of our part-time Minister of Education in December 2015, the Minister has been supported by two lay resources - one for Christian Education (Bible Study) and one who leads our Youth Group.

BUC Council consists of Clergy, Ministry Chairs, Trustees and Presbytery Representatives. We currently have vacant Chair positions for Christian Education and Outreach.

Many members of the congregation contribute to the work of the church. In 2015, over 16,000 volunteer hours were reported. Volunteers are active in a number of ministries including:

- Worship
- Pastoral Care
- Outreach
- Marketing & Communications
- Christian Education (includes Sunday School)
- Membership and Visitation
- Social
- Resource Management ministries (Finance, Stewardship, Facilities, Ministry & Personnel, Trustees etc)
- Presbytery Representatives
- United Church Women (UCW)

Our congregation is aging. We need to attract and engage new congregation members, particularly more youth and young families.

### **What would a newcomer experience in worship and church community life?**

BUC's current mission statement (being revised) is "Following Jesus Christ, our mission is to offer compassion and love to those in need, welcome newcomers into our community, and to be a place for people to grow in their relationship with God".

As such, conscious/intentional effort is made to acknowledge, welcome and get to know new attendees, with hopes to understand their interest and talents and to engage them into the church

community. As such, a newcomer to BUC would experience: a nice warm welcome (comfortable & appreciated), a sense of family and community (inclusive & belonging), and a feeling of peace and quiet.

**What do we do well as a pastoral charge? What are our strengths?**

- Caring, Listening
- Outreach
- Fellowship
- Pastoral Care, Healing Pathway
- Music

**What aspects of our congregation's ministry could use development and growth?**

Aspects of BUC's ministry that could use development and growth include the following:

1. We need to increase:
  - ministerial resources for Outreach, Sunday School, Christian Education, Youth Group
  - minister visibility in the community
  - ministerial involvement/presence with/at Barrhaven Non-Profit Housing Inc.
2. We need to provide development and support of our lay leadership and volunteers to ensure that sufficient resources are available to meet the ongoing spiritual and pastoral care needs of the congregation.
3. We need to continue to nurture our existing partnerships, and develop additional partnerships with other faith communities and community organizations to better serve our local community.

**What is our dream?** *(if we had unlimited financial and/or volunteer commitment)*

BUC's dream would be to have ...

A dynamic minister (or ministers), who:

- is/are involved in the activities of the church
- is/are active and visible, representing BUC in the community
- assumes the role of host, supporting and attending church events

Ideally, two full time ministers to allow proper time and attention to be placed on:

- tending to the spiritual needs of all congregation members
- providing Pastoral Care services to meet the needs of all congregation members, including youth and young families
- developing engaging Christian Education programs
- developing and growing the volunteer base and encouraging volunteers to assume leadership roles
- establishing and developing partnerships within the community

A vibrant:

- Congregation that is active in all aspects of church life including Outreach, Christian Education, lay leadership/volunteering and fellowship activities
- Sunday School with a healthy base of volunteers, offering an exciting program that encourages participation by an increasing number of children
- Youth Group with a leader who responds to the needs/interests of youth, engaging youth within BUC in community work and/or activities with other Youth Groups

Children and Youth who are actively involved in church life:

- via recurring/scheduled dedicated services with youth involvement/participation
- participating in Outreach opportunities

Engaging Worship Services:

- of varying formats
- including meaningful sermons
- integrating music
- with guest speakers/musicians

**What are the three most important ministry programs we offer?**

1. Worship:

- many forms
- focus on music
- different formats and locations, e.g. outdoors, family worship, off-site

## 2. Caring

- Pastoral Care and Healing Pathway
- Benevolent Care team
- Fellowship

- Journey of reconciliation with our indigenous neighbours

### **What are the biggest challenges to ministry in our congregation right now?**

- Finding a way to balance the needs of the congregation, the needs and workload/expectations of our Minister and Lay staff, and the responsible management of BUC's resources
- Volunteer availability
- Finances
- Aging congregation

### **What will be the biggest challenges to ministry in our congregation 5 years from now?**

- Maintaining and/or growing a vibrant congregation by encouraging the participation of new congregation members, especially young families
- Maintaining and/or growing a vibrant Sunday School
- Address and resolve volunteer burn out
- Ongoing maintenance of our 23-year old church building

## **PART C: ABOUT OUR COMMUNITY**

**This is what we love about our community. This is what makes it unique.**

- Barrhaven is inclusive, welcoming, relatively safe
- Barrhaven is a community of all ages from infants to single adults to senior citizens
- People want to serve, and give back to the community
- People are caring and giving
- Sense of community
- Diversity
- Evolving, growing suburban neighbourhood.

**The three economic, demographic or political challenges facing our area are:**

- Although Barrhaven is considered to be a middle income community, there are people living within the community who struggle to provide basic necessities for themselves and their families. Note that the Barrhaven Food Cupboard currently provides 115-120 orders per month; a significant increase from 30-35 orders per month serviced in 2007.
- Increasing diversity of multi-faith and multi-cultural households. Residents have many choices as to how and where to celebrate their faith and culture. Although BUC may be competing with other faith communities, there is an opportunity to partnership with these faith communities. A larger challenge may be the lack of engagement/participation with faith groups, in general.
- Work, stress and competing priorities limits the time an individual has to commit to a faith community and to embark on a faith journey.

**Here are two or three websites that offer detailed information about our community:**

- <http://ottawa.ca/en/city-hall/planning-and-development/community-plans-and-design-guidelines/community-plans-and-stu--77>

2015 actuals include payroll costs associated with one full time minister and one part time (0.5) minister. The 2016 figures are based on the approved budget and include one full time minister and \$20,000 for other Lay resources.

The 2016 Stewardship pledging campaign indicated that offerings are remaining flat and are not anticipated to either increase or decrease. Projected Revenue for the period 2017 through 2019 therefore reflects this reality. Projected expenditures for the same period were inflated by 2% annually.
